

### "The Nutcracker and The Four Realms"

MPC

- Full DMP/CG shot
- DMP projections of entire manor house, garden mazes, trees, lights and set dressing
- \*This is the last shot of the movie and it is part of the ending sequence which I was in charge of acting as a sequence lead. My tasks included making the dmp covering five different angles for dozens of shots.

### "The Nutcracker and The Four Realms"

MPC

- Multiple palace dmp projections set extensions and enhancements covering entire length of shot
- Rock cliff dmp projections
- Camera interactive light/reflection dmp pass was provided for all wet/shiny surfaces

### "The Nutcracker and The Four Realms"

MPC

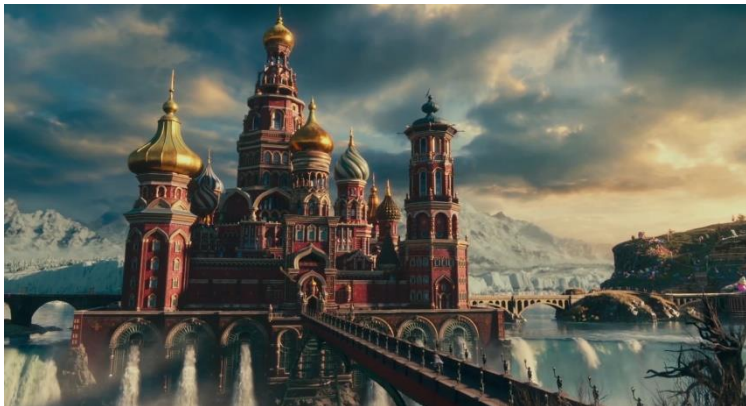

- Palace and rock cliff paint over lighting render
- Dmp sky

### "The Nutcracker and The Four Realms"

MPC

- Cliff face dmp set extension
- Trees dmp set extension
- Hanging moss on trees set extension
- BG trees and sky

“The Nutcracker and The Four Realms”  
MPC

- DMP sky

“The Nutcracker and The Four Realms”  
MPC

- Full DMP/CG shot
- “Double Tree” and rock cliff dmp projections
- Bridge dmp projection
- BG and sky projections

“The Nutcracker and The Four Realms”  
MPC

- Manor house full dmp
- Garden maze and set dressing dmp
- BG garden extension dmp
- \*This shot is one of the closer and wider garden shots part of the ending sequence of the movie (mentioned above).
